

Genie Forklift

Genie Forklift Training Saskatchewan - Genie Industries prides itself with the theory of lifting people and resources higher, extending beyond the products they produce. A worldwide company that is greatly associated to their consumers and enjoys reflecting the spirit of relationship with all they accomplish. Genie Industries strives to help clientele erect their operations no matter how large or small the scale of operation may be.

In 1996, with the launch of the Genie Hoist, which is a pneumatic, portable material lift spawned the beginning of Genie Industries. A series of aerial work platforms and other materials lift trucks followed to meet customer demand. These modern goods secured universal recognition and established modern product design.

Currently, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to manufacture and maintain foremost quality production and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured materials lift trucks on the jobsite, the business is securely planted in their exceptional customer values and service. Acknowledging that their customers are their greatest inspiration, the team at Genie Industries are individually committed to delivering expertise and maintaining customer rapport.

The reliable team is persistently committed to identify the most green and cost-effective, environmentally responsible methods to develop the products the clients want. The company's "lean production" practices help diminish waste while delivering the highest quality merchandise possible in the shortest timeframe at the least expensive cost to the client. The team at Genie Industries is proud to serve the industry and this is reflected in every product they manufacture. Always inviting client input enables them to produce and develop innovative new products that are effortless to service and handle, provide optimum value-for-cost and satisfy worldwide standards. Thriving on client feedback enables Genie Industries to repetitively evolve and satisfy the consumers' requirements.

Genie's service professionals are eagerly accessible to offer solutions to the queries you may have in order to keep you fully operational. Their vast parts network will swiftly ship parts to ensure their consumers' machines are operating effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They assemble and service their products to boost efficiency and uptime on the job. Offering on-going instruction opportunities, to marketing support to adaptable financing possibilities, Genie Industries offers their customers the tools to get the most out of their investment.
