

Nissan Forklift

Nissan Forklift Training Saskatchewan - Nissan takes great pleasure in achieving total customer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and meticulous quality values to their clients. Incorporating a prosperous heritage combined with strong production principals, Nissan lift trucks offer some of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing customer support, the business has four distinct production facilities that allow them to persistently adapt to their customers continually evolving desires by providing an array of progressive ideas and designs.

The Nissan Forklift North and South American center is situated in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the support, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to preserve environmental responsibility by using systems that limit the worldwide impact of their goods and processes. These high standards remind consumers that Nissan operates under the quality seal that their customers require whilst being an environmentally conscious company.

Nissan is confident that they will be capable of addressing any consumer questions or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
